UPDATE FROM THE FIELD

Aloha.

We hope you and your family had a wonderful Thanksgiving. Construction is moving ahead quickly. Here is a photo taken on November 30th of the first Laiopua homes being framed.

Laiopua Village 5 is really happening, and the homes are starting to take shape!

To the left is a schedule of when your homes will be completed. Homebuyer walks, document signing, and

closings will take place during the 2-3 weeks after these construction completion dates.

Please note that this is Armstrong's construction schedule, and that your actual move-in dates may be affected by things beyond Armstrong's control, such as weather, government approvals, and utility issues (HELCO). We are doing our best to anticipate such outside issues, and we will keep you posted if any of these outside factors affect the above schedule.

As we move into the holiday season, please follow the "Financial Dos and Don'ts" and stay ready to close on your new home! If you missed the November meeting, if you want to review the "Financial Dos and Don'ts," or if you just need a pep talk to get you safely through the holidays, please call Nadine Kometani (contact information below).

Also, please keep your eyes open for further project updates.

***HAPPY HOLIDAYS FROM THE
ARMSTRONG TEAM!***

If you have additional questions about the meeting, please contact Nadine Kometani at nadine.kometani@hawaiiantel.net or call 808-591-8166 (office) OR 877-229-5260 (toll free)
