Home construction continues, first of several "Meet your builder, meet your neighbor" meetings. Look for an invitation in the mail for your turn.

February/ March 2011:

First homes complete, Home blessing & key turnover.

Aloha. This past weekend 31 families gathered at the Kealakehe Intermediate school cafeteria for updates on the Project, recommendations on how to stay financially ready for closing, information about Professional Warranty Corporation's 10-year home warranty (included standard), and a site tour to see the start of construction. It was a great turnout.

Now that the site has been turned over to Armstrong, we're moving ahead quickly and have poured the first nine pads (lots 65, 66, 67, 68, 90, 91, 92, 93, 94) in the past 2 weeks.

If you have additional questions about the meeting, please contact Nadine Kometani at nadine.kometani@hawaiiantel.net or call 808-591-8166 (office) OR 877-229-5260 (toll free)
